Ref. No.

Date: 02/07/25

Research and Development Cell:-

1. Mr. Kundan Dhok Ass. Prof. - Convener
2. Smt. Janki Paradkar Ass. Prof. - Member
3. Smt Aarti Kangale Ass. Prof. Member
4. Mr. Omprakash Pandey Ass. Prof. Member

- **Fostering Research Culture:** The R&D Cell works to create a supportive environment for research by providing necessary guidance and resources to faculty and students.
- **Promoting Innovation:** It encourages new ideas and creative thinking to develop novel products, services, and processes.
- **Funding and Resource Mobilization:** The cell actively seeks and manages grants and other funding sources for research projects.
- **Intellectual Property Management:** It assists in protecting and managing intellectual property, including patents and copyrights, generated from R&D activities.
- **Collaboration:** It facilitates collaborations between internal teams, external partners, industry, and experts to leverage knowledge and resources.
